

18 September 2019

Dear Parents/Caregivers,

Students enrolled in Biology, Chemistry and Physics will be required to have a subscription to Edrolo. This is in lieu of a textbook and students have been trialing this online over the last 6 weeks. Edrolo includes online videos on each content statement in addition to quizzes and review tests.

They will be required to purchase a subscription to each of the science subjects they are enrolled in. The cost of the subscription is \$33 per student per subject.
