## **EDROLO: Year 11 Students enrolled in a Science subject**

Dear Parents/Caregivers,

Students enrolled in Biology, Chemistry, Investigating Science and Physics will be required to have a subscription to Edrolo. Textbooks are optional for these 4 subjects. Edrolo includes online videos on each content statement in addition to quizzes and review tests.

They will be required to purchase a subscription to each of the science subjects they are enrolled in. The cost of the subscription is \$33 per student per subject.
